

TRANSFORM PROJECT

Pathways to Peace

To celebrate CRC Good Relations week, young people from our Transform projects visited key areas across Portadown's interface. Led by our youth workers and staff who have lived and grown up in the area, it was an opportunity for young people, to understand what has happened in the past, as well as a reminder of the hope we have for a shared and peaceful society!

Accredited Youth Work Training for Faith-Based Organisations

Youth Link is working in partnership with faith-based organisations to provide training with accredited qualifications for staff and volunteers in youth work and youth ministry. These courses are funded through EA and will continue until next Autumn.

Whilst face to face training brings many opportunities for interaction, group activities and fun, we have adapted and embraced online learning, to keep our training courses interactive and enjoyable. Having successfully completed the OCN NI Level 2 Certificate in Youth Work Practice in June 2021, participants have signed up and are currently working towards the OCN NI Level 3 qualification.

Online engagement has enhanced participation levels on these programmes across Northern Ireland. Recruitment via our website for the new courses commencing in February 2022 will begin in December 2021. [Youth Link NI – Level 1, 2 & 3 Certificate in Youth Work Practice](#)
